- Graduated from Lycee Massena (high school), Nice, France. Majored in Science and Math. Equivalent of an Associates at UER Lettres, Nice, France (University of Liberal Arts). When I came back to Rome in September 1975 (because I was born here; this is my Dad's hometown), I went to Coosa Valley Technical College and graduated with a degree in Secretarial Science in 1977.
- The first full-time job with benefits was Nutrition Secretary at the Cooperative Extension Service; worked for Bekaert Steel Wire in 1980, where I met my husband Jim Moreland. I stayed at home with my newborn son Christopher in 1983.
- In 1984, went to work for Rome Cable TV in sales: sold ads on the old channel 7, where you could see the temp, weather, birthday crawl, etc.
- In 1985, I started selling cable TV advertising on cable networks such as CNN, ESPN, TNN, and MTV. My one-person operation soon turned into a department with 4 salespeople, two office/traffic folks, and three production personnel.
- I left the sales side in 2000 and became the Area Marketing Director for Northwest Georgia for Comcast (Rome Cable turned into TeleScripps, then Scripps Howard, then Comcast). When Comcast bought AT&T cable, my management position was eliminated. I started working for WKCX, K98 in December 2002. I am the Sales Manager here at K98.
- Board of Directors for the Coosa Valley Fair Association (first female president in 2001), and on the board of directors for the Exchange Club of Rome; I am on the Downtown Development Authority board where I chair the Outreach Committee. I have also graduated from the Georgia Academy of Economic Development (really loved doing that!).

\$20,000 then); current member of Expo committee; Leadership Rome XIII; recipient of the Wesley Johnson Leadership Award.
