

Operation Thank You ... Members "Thanking" Members

The annual **Operation Thank You** was on August 3rd and was a big success again this year. This tradition is an opportunity for Chamber member volunteers to visit other members individually to thank them for being Chamber members. Volunteers delivered a member survey, data verification form, Committee Preference form, an information sheet plus a gift of appreciation — a Chamber umbrella. This was a fun time for the volunteers as they met other Chamber members while also making business contacts.

There were almost 60 volunteers participating in this appreciation event this year. Those volunteers were:

Ms. Diane Blair, Coosa Valley Technical College
Ms. Kathy Brooks, Yellow Book USA
Mr. Terry Brown, SCANA Energy
