AMBASSADOR of the QUARTER

Congratulations to **Rob Harbison, Peachtree Planning**, on being named Ambassador of the Quarter for the 2006 third quarter. Ambassadors serve as liaisons between Chamber members and the Chamber. They are very active in various Chamber events, including ribbon cuttings, groundbreakings, and recruiting new members.

Rob has worked with Peachtree Planning as a financial advisor for the past five years. He says that he enjoys this because he is "helping people who are so busy taking care of the important things in their lives that they don't have time to take care of the essential things." You can learn more about how Rob can help you at www.peachtreepanning.com.

This past year, Rob married Susan Harbison, who is now his administrative assistant and is invaluable to him. He has two daughters, Heather (21) and Lindsay (19), who are both in college, and one son, Nicky (13), who attends Rome Middle School.

Rob is very active as a Chamber volunteer, serving as a member of the Small Business Action Council Committee, a 2006 Membership Drive team leader and as the chairman of the 2006 Business EXPO. He has also been a sponsor for the nationally acclaimed "Girls Going Places Entrepreneurship Conference" for the past three years, bringing together young girls and women business leaders in a mentoring program.

"I enjoy being involved with the Chamber of Commerce because I want to make an impact in people's lives and businesses. Serving as an Ambassador allows me to meet, encourage, and serve many more people and make a difference in the community. I love to see everyone benefit from the Chamber," Rob said.

Rob was recognized at the October Chamber of Commerce Board of Directors' meeting, where he was presented with a gift of accomplishment and appreciation.

Congratulations, Rob, and thank you for your support of the Chamber and the Rome/Floyd County community! ■
