Chamber Ambassadors serve as liaisons between Chamber members and the Chamber. They are active in various Chamber events including ribbon cuttings, groundbreaking, and recruiting and mentoring new members. If you see them out and about and have any questions about the Chamber, please do not hesitate to ask for their assistance. They are all looking forward to working with you this year.

Georgia School for the Deaf ... 2007 8-Man Football National Champions

The Georgia School for the Deaf won the **2007 Deaf 8-Man Football National Championship**. The team is one of 24 teams from schools for the deaf that are in the 8-man football category. "The team worked very hard both on and off the field this season," said **Coach Erik Whitworth**. "This truly was a team effort." To honor the GSD Tigers' achievement, **State Superintendent of Schools Kathy Cox** traveled to the school to present the team with the championship trophy. The team surprised Superintendent Cox by presenting her with an autographed football. "We are very proud of all that the team has accomplished this year," said **Dr. Lee Shiver**, Director of GSD.

Several GSD teachers were recognized for their service and devotion to the school. A number of students were also recognized for outstanding academic achievement. 

Georgia State Superintendent of Schools Kathy Cox exclaims with joy as she was presented with an autographed football by the GSD National Championship team.
